Phoenix Tube Co., Inc.

1185 Win Dr

Bethlehem, PA 18017

Re: RoHS

Phoenix Tube Co., Inc produces austenitic stainless steel tubing and flat bar.

Not anywhere in the process here at Phoenix Tube are Lead, Mercury, Cadmium, Hexavalent Chrome, Polybrominated Biphenyls (PBBs) or Polybrominated Diphenyl Ethers (PBDEs) used or added to the product.

Therefore, Phoenix Tube meets the requirements as set forth in the directive: "Restriction of the use of certain Hazardous Materials" (RoHS) issued by the Council and the European Parliament of the European Union (EU).

Sincerely,

A handwritten signature in black ink, appearing to read "Charles H. Kissinger". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.

Charles H Kissinger
